Repco Trial.

We are following up on last year's celebration of the Anniversary of the London to Sydney Marathon which was a great success and gave people the opportunity to meet some of the remaining competitors from those great events.

The chances to meet the people who made our rallying history will soon be a thing of the past. Come along while they are still around to talk about these great events.

This year will be no different but with as many ex-Repco competitors as we can round up being there to reminisce over the event 40 years on.

The Repco was the last of the truly Australian Trials where only 13 cars out of 167 starters completed the whole course and with only 92 regarded as finishers.

The Holdens came in 1-2-3. Barry Ferguson, the driver of the second of those Holdens, will be there with the original car. Other HRC members / Repco competitors including Colin Bond, Mal Sinfield and Dave Johnson will be there to talk about their exploits.

If you know of anyone who had anything to do with the Repco, please pass this on to them and encourage them to come along.

NSW Rally Legends Awards. Inaugural Presentations

This is a new initiative of the Rally Panel for the Rally Community of NSW.

The objective of this award is to recognise those people and clubs that have contributed to NSW rallying and who have kept the sport flourishing over the years.

The door is still open for the awards and anyone wishing to nominate someone from the rallying community who has contributed over and above the average then send some details to the Secretary of the Awards Committee, Lui MacLennan at lui@macclennan@hotmail.com.

The selection committee, comprising the NSW Members of the Australian Rally Hall of Fame, will be considering the nominations received from clubs and individuals and will be making the inaugural presentations at the Re-Union.
