

Tour of the Snowy

Information 12 Dec 2023

1 The notice of the Event and the Entry Form are now on the HRC website under future events/Tour of the Snowy. They are included here for your ease of access.

2 We have had to make changes to the finish location. The finish is now at Yass.

The Regional Fire and Rescue scheduled a weekend activity at Tumut over that weekend and then we found a school re-union had booked 120 rooms at our second choice of Gundagai. So we are now booked and locked in at Yass.

Apologies to all that got in early and need to change.

3 Here is the list of accommodation being used by the officials during the event.

Monday 18 th March,	Yass	Swaggers Motel	6226 9900
Tues - Wed 19-20 March	Cooma	Red Hill Motor Inn	6452 1366
Thursday 21 st March	Lakes Entrance	Ocen Views Motel	0458 766777
Friday 22 nd March	Tumut	Tumut Valley Motel	6947 2666
Saturday 23 rd March	Yass	Swaggers Motel.	

An early booking of accommodation is suggested.

We will be using the Conference Room at Swaggers Motel for registration and the briefing before the start of the Tour.

4 We have had to do a slight change to the course in Victoria. We are including nearly 85km of beautiful flowing forest road from Bonang to Orbost and have dispensed with the trip across McKillops Bridge.

5 Currently the percentage of gravel on the Regular Course is still about 35%

Cheers All
