

TOUR of the SNOWY

Last Update before Start 13th March

DOCUMENTATION and BRIEFING

Both will be done at Swaggers Motel, in the Conference Room.

Documentation and issue of Road Books and maps will be done from 5pm Monday until about 9pm, but closed from 6-7 while we get some food.

Then again in the morning from 7am until 8am.

Briefing will be at 8.30 and the first car can hit the road from 9am from the Motel Carpark.

2024 HRC Membership cards will be available at the start of the Tour of the Snowy.

MEALS, DINING and FUNCTIONS

Here are the current arrangements for evening meals during the event.

Monday pre-event in Yass. The Yass Bowling Club have been advised that many early arrival participants will be dining with them in their Bistro.

Tuesday and Wednesday in Cooma. To let us make our own choice of meals we are dining in the Cooma Ex-Services Club. Arrangements for a separate room required extensive complex guarantees and we are gathering in the general area of the club. Target time form 6.30pm.

Thursday in Lakes Entrance. We have several cars leaving us here and we will do a short presentation to them before dinner at the Kalimna Hotel. (On the hill overlooking Lakes Entrance). Their kitchen will be busy looking after a bus group until 7 pm. So the plan is to have drinks from 6pm then a short talk and presentation from 6.30 pm. Order food and dine from 7.

If you wish to dine elsewhere beforehand and join us at 6.30 pm that would be great.

Friday at Tumut. Casual dining with no booked area but plenty of space at the Tumut Valley Brewery which is opposite the Visitors Centre and near the end of the Route Chart. Plan is from 6pm.

Saturday at Yass. Gathering at Swaggers Motel from 6pm for an informal barbecue. Bring your own drinks and glasses. The HRC is providing all the food and volunteers are doing the cooking. Adjacent to the Conference Room we used at the start. A couple of presentations but otherwise its free talking time. See you there. !
